The Blessings of Dhul Hijjah are Limitless!

This Dhul Hijjah has been such a memorable time. It was beautiful to dedicate all our efforts towards the greater good in helping others and doing our best with deeds for the hereafter. We all tried to make the most of the 10 most beloved days of the year - the first 10 days of Dhul Hijjah - and all of us at MWL were moved by the outstanding passion that all of our generous supporters showed in providing for people in need. We pray that your dedication and deeds are accepted and multiplied and that you remain always motivated to move mountains.

In this issue, we wanted to focus on showing you the extent of what we’ve been blessed to achieve throughout the past month. Feel free to skip ahead to any section that interests you:

**Bangladesh and Rohingya**

Thousands have had to flee their homes and become refugees, seeking sanctuary in camps in Bangladesh. These hopeful families are often in need of the basics, including shelter, water and food. This Dhul Hijjah, our supporters came through for so many of these displaced children and their parents by providing them with meat and food baskets that brought relief from hunger with consistent meals. These kind souls were celebrated in refugee camps throughout the holiday.
We can only achieve with your help – and you always come through!
