Dear Friends,

I hope this letter finds you and your family in good health.

It is with sincere gratitude that I write this letter on behalf of all Mercy Without Limits staff. Much has changed in the recent year for the world, but our mission and vision remain a top priority for us at Mercy Without Limits. Although many have encountered difficulties in 2020, I would like to thank everyone who stayed committed and continued to support Mercy Without Limits. As I reflect over this past year, I am inspired by the tremendous support Mercy Without Limits has received from our generous supporters. You have continuously dedicated your time, funds, and compassion to those who needed it most. That spirit of connection and understanding is what we treasure so dearly. Thank you for your commitment and for playing a critical role in our efforts to empower those whom are less fortunate.

We are honored to have you as our supporter and friend. I want to personally thank each one of you for your time, commitment, dedication over the past year.

Sincerely,

Mohamad Naser Albadawi

About Mercy Without Limits

Since its establishment in 2012, MWL has been dedicated to addressing humanitarian needs for orphans, widows, and refugees regardless of age, gender, race, or religion.

Vision

A better world for children and women.

Mission

To educate and empower women and children by enabling them to have an effective and positive role in constructing a better society.

Promise

Mercy Without Limits strives to meet the needs of underserved communities so future generations have the tools they need to create a better future. Working with partners around the world, we empower communities to recover, build resiliency, and thrive in the face of unfortunate circumstances.

MWL believes that regardless of gender, age religion or ethnicity everyone deserves the necessities of life. Inclusion is how we unleash the power of diversity. We respect and recognize all cultures and communities.

MWL ensures that all stakeholders are involved in assessment, program designing, and implementation to provide a more improved quality outcome for our beneficiaries.

We want to empower people to make positive changes in their lives, the lives of their children. And the community as a whole.

To endure the protection of the people, MWL’s services include cash for protection and child protection by mine action.

**Child Protection**

The focus on treating children’s mental, physical and psychological health has become one of the most prioritized focuses for humanitarian organizations across the world. MWL is dedicated to the implementation of this mission by partnering with humanitarian agencies to conduct projects internationally. Child protection programs MWL executes include recreational activities, structured and semi-structured psychological support, and awareness campaigns that focus on subjects such as personal hygiene and education.

Cash for Protection

The Cash Assistance for Protection program is aimed to achieve protection outcomes in the protection sector in humanitarian settings in 8 countries. This program delivers cash assistance that covers necessities, as well as health and psychological care that is needed. Cash assistance is provided for other services that are assessed based on demand.

People affected by disasters and internally displaced people affected by conflict with the means to live in a safe and dignified shelter. Shelter is a vital survival mechanism in time of crisis or displacement. It is also key to restoring personal security and dignity. MWL provides tents and shelters to Rohingya Refugees in Bangladesh. Shelters were implemented to expand shelter capacity and improve living conditions.

Formal & Non-Formal Education

Mercy Without Limits aims at subsidizing educational programs that provide students with the necessary tools to excel in their communities. Increased dropout rates have occurred due to conflict, poverty and life challenges. MWL works towards improving the global education crisis by implementing numerous education projects meeting the huge demands of educational basic needs such as learning kits, rehabilitation schools, teachers’ incentives, etc. Accelerated learning programs were provided to children that were disadvantaged to provide them with equivalent educational standards to children their age. Children with special needs were served in all projects, maintaining equal opportunity for all children. Furthermore, back to learning campaigns were conducted to bring awareness to communities about the risk of negative coping behavior such as child labor, early marriage and recruitment in armored group.

Food Security

Mercy Without Limits provides sustainable nourishment to those facing food scarcity by partnering up with other NGOs to implement agriculture and livelihood services. MWL serves through private funds to execute projects that aim to provide food baskets, Ramadan hot meals, etc. The projects implemented aim at providing sustainable nourishment to those facing food scarcity by improving economic circumstances and deplete the inflation and livelihood rate.

Total Beneficiaries
Mercy Without Limits’ wide experience in health care services aims at improving and providing access to health care services to save the lives of those affected. Many countries suffer from the medical crisis as they see an increase in violence, war, and social instability. There are functioning health care facilities, but many get destroyed and continue to operate, while suffering from shortages of water, electricity and supplies. The insufficiency of health service facilities has led to the outbreak of diseases as well an increase in the morbidity and mortality rate in communities we serve.

Early Recovery & Livelihood

Mercy Without Limits believes youth and women play an essential role in the development of any society. MWL implemented projects that focused on these demographics to take their roles as effective members in society. They receive training sessions that teach them life skills to launch their own small businesses. These projects led to receiving grants that would focus on similar projects in the future.

Seasonal Projects

MWL’s seasonal projects help improve the life of people by bringing them hope. These seasonal projects range from food to gifts. During the most crucial times, projects include the distribution of food baskets, prepared hot meals, Qurbani, Eid gifts, and winterization kits. MWL has distributed winterization items to those experiencing cold winters which included heaters, winter clothing, and diesel gallons.
