From Compassion to Confidence

We cherish all that we do for the children in our care.

Our treasured orphans are the heart of our organization. We prioritize helping these young heroes as they try their hardest in all their educational endeavors to achieve and uplift themselves and their communities. Our team is blessed to bring joy to these young hopefuls every day, and our supporters supply the means by which we are able to aid them.

We couldn’t be more grateful for the graciousness of so many donors who make all that we do for orphans possible.

This month, we have updates from a variety of countries to share with you. We hope you’re as inspired by the positivity of these impressive young individuals as we are!

EMPOWER HER TO SUCCEED

Widows are strong, withstanding women who’ve been through hardship and keep moving forward. At Mercy Without Limits, we do our best to empower these impressive women by providing them with opportunities they may not have had before, due to poverty or displacement.

Our staff and volunteers provide widows access to workshops that teach vocational skills, such as hairdressing, sewing and crafting. We also provide widows with language and computer courses, and even work opportunities.

Our efforts to support widows go beyond the basics – we want to empower these women to succeed and achieve independence, so they can provide for themselves and their children for years to come.
Developing new skills enables widows to become entrepreneurs.

We at MWL prioritize education for long term self-sustainability.
During the summer, much of Pakistan faced the challenge of rain storms of epic proportions. Severe and widespread flooding destroyed homes and displaced families across the country, resulting in a third of the nation being submerged.

With the remarkable compassion of our caring donors, MWL was able to bring urgent aid in many forms to residents affected by this disaster. Our team helped provide shelter, food and refreshment, along with additional emergency aid, saving lives and spreading smiles – all due to our sweet supporters!

These beautiful smiles made every effort feel extraordinary.
Spreading love across the world is a major part of our mission, as love inspires mercy, which leads to a world where love and mercy would encourage everyone to offer a helping hand by any means they can.
